

Making Maturing Multiplying disciples of JESUS

EPPING
Presbyterian Church

Our mission field

There are around 29,000 people in Epping and up to 250,000 within 15 minutes drive. As a high growth area, Epping Town Centre could grow to 44,600 by 2036

It is expected that the future community of Epping Town Centre will include:

People from across all age groups, including many families with young children, young couples without children, older households, and a high proportion of students and young people

High cultural diversity, including significant populations of people from Asian backgrounds and people who have recently arrived in Australia

Many households living in high density dwellings

A population of workers coming to the area each day

WE ARE EPC

we have vision for a church that is

Made to love God

We are a new creation in Christ, made to love God together, individually, and in every part of life.

Deep in the Word

We want to be shaped and transformed by the Word and have the Word sink deep in our hearts.

Serving one another

As Christ has loved us, we want to use our gifts to love and build up one another. We are members of one body and we belong to each other.

Sharing life in community

We are designed for relationship with each other. It is in the mess of life with one another that God is at work in us.

Prayerfully on mission

We are called to join God's mission to proclaim Christ to the world. He is at work in the lives of the people around us and we want to be an active part of that.

“Instead, speaking the truth in love, we will grow to become in every respect the mature body of him who is the head, that is, Christ. From him the whole body, joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work.”

Ephesians 4:15-16
